Acting Principal's News

Yet another busy week has passed by at Old Orchard! I'm most excited that today marks the first day of Spring. Winter has certainly taken a toll on the health of many of our students and staff this year and I'm hoping that some brighter mornings and warmer weather might help in us all finding health and resilience.

Our year 3 campers have had a brilliant time at their first school camp and we were proud to see how bravely they left on Wednesday morning. Reports are that the weather has been mostly kind and that a great time has been had by all. We eagerly await their return today. Thank you to Wendy Scott (organiser), Kirsten Burrows, Enza Orsini, Peta Taylor, Kirralee Taylor, Curtis DeWitt and parent volunteers Danny O'Kane, Chris Malloy and Ben Friebe for making the camp possible.

District Athletics were held on Monday 28th August. We were proud (as always) of the way Old Orchard students conducted themselves on the day. It was terrific to see the enthusiasm and energy of our students on the day and most importantly it was wonderful to see them trying to achieve their personal best. Thank you to Sam Snow for the incredible amount of work she has done to prepare for the day and boundless energy she does it with!

A very happy Fathers day for all of those people playing an important role in the lives of our students. Families do not all look the same but we do know that our students are lucky to have a variety of people acting as their role models and providing them with love. I hope that Sunday's celebrations are a chance for thanks to go to those who deserve it. Thank you to Lee Yelland, Sheree Knight and the team of volunteers that worked to put together the Fathers day stall. I know that there were some very carefully considered purchases made at our Fathers day stall this week.

Whilst on the topic of role models I ask you to open up a family dialogue about the importance of standing up for what is right and for each other. We are a school that focusses on developing student leadership and initiative. I'm sure you would all agree these are incredibly important characteristics we would like to see develop in our students but that at times being a leader in the face of peer pressure is a challenge. Over the past week or so there have been a couple of situations arise both at school and online that have made me reflect on the importance of continuously reinforcing this message. As staff we will be putting even greater focus on being a leader amongst a group in the coming weeks and we ask for this message to be supported on the home front too. (You may be interested to watch the following clip the teaching staff have done work around <https://www.youtube.com/watch?v=sq18u1Ee9fM>)

Good luck to staff members Michael Findlay and Sam Snow who have football and hockey finals on this weekend.

Kind regards, Jen McCann

Pasta Drive

This term the 2017 Student Leaders have elected to hold a Pasta Drive during Week 8 of Term 3. One of our Vice Captains, Jack P., saw an advert in the local paper about another school donating pasta to the 'Feed Melbourne Appeal'. Harry C., another of our Vice Captains, rang them and gained their approval to donate uncooked pasta.

We are kindly requesting that families donate uncooked pasta, and drop it off in the hampers at the front office. We will be running the drive from the 4th until the 8th of September. We ask that donations do not include pasta toppings or sauces.

Thank-you kindly

The 2017 student leaders

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge has been open since March and Old Orchard is excited to be participating. The closing date for the PRC is September 8th 2017 which is now very near!

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 8 September 2017.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll. If you would like your child's name to appear on the Honour Roll, please sign the attached form and return it to the school office.

To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc

If you would like your child's name to appear on the Victorian Premiers' Reading Challenge online Honour Roll, please sign this form and return it to your school.

Lunchtime Clubs Term 3

At Old Orchard, we have recognised that students occasionally ‘struggle’ to happily occupy themselves for the full 50-minute lunchtime break. That is why the wonderful Lunchtime Clubs have been invented. Following on a very successful Term 2 of clubs Old Orchard staff are again offering a range of activities. These clubs will cover a variety of interests including sports, quiet games, arts and crafts and more! Jacinta and her Art leaders also have some great tasks planned. Students will be provided with the relevant information regarding clubs by classroom teachers. Depending on numbers, some clubs may need to be limited.

We are very excited and are very fortunate to have such dedicated staff who are ready to respond to the needs of our students. Below is a copy of the clubs available this term.

The comedians were all excellent and it felt great to know we were all having a fantastic night out and raising money for the school at the same time. Well organised and a great fun night out - we will be keeping our eyes out for the next Comedy for a Cause night and be there with bells on!"

- Tegan Sadlier, Parent, Summer Hill Public School.

Ashfield Public School

"Mat from Comedy for a Cause has been amazing to deal with and the comedy show concept was very clever. It was such a great night, amazing acts, fantastic atmosphere and everything was so well organised. It was great to sit back, relax and have it all done for you. Can't recommend it enough. Well worth doing!! We are already thinking of when to do our follow up show."

- Effie Tzouvaras, Fundraising Chair, Ashfield Public School

Penrith High School

"I would like to pass on my sincerest thanks to Mat and the Comedy For A Cause team for organising such an entertaining night. We were all laughing so hard that some of us almost fell off our chairs! It was a fabulous way to end the school term and boost community spirit. We are already thinking of when to host the next show! We have heard nothing but positive feedback from the school community, and the students cant wait to have the comedians back. Thanks again!"

Week 7 4th to 8th Sept is Nude Food Week at Old Orchard Primary.

*Nude Food Day is a nationwide initiative developed to encourage kids and parents to **eat well** and **live well**, and eliminate all unnecessary packaging and wrapping that goes into schools.*

Did you know that unlike residential household, Schools at Whitehorse do not have a plastic recycling bin? Therefore, we are asking students to consider our environment and make a difference to the footprint we leave behind.

*Go **Nude Food** because it is an investment in the future. It uses less packaging and energy and it saves money. Most importantly, it will reduce the rubbish in our school ground.*

Sustainability Team: Enza Orsini, Wendy Scott, Tracey Ding, Claire Mitchell, Fiona Kirby and Michelle Harris

News from Camp Australia - Kidzone!

It's been another fun couple of weeks at OSHC. Thursday was full of excitement with everyone dressed up for Book Week! We were so impressed with the way all the children got involved, with the highlight of our morning being a mini parade showcasing all the amazingly creative costumes! The children have also loved participating in some cooking activities, constructing things with different types of blocks, and having fun in the gym!

An awesome secret tunnel by Seb & Ollie. I love how they drew a design before they started building!

Callum set a challenge to see who could build the tallest tower using only 11 blocks! The tower had to stay standing for a minute to be declared the winner!

After having rice paper rolls for afternoon tea last week, Chloe & Maddie were inspired to make some sushi!

Getting creative in the gym, making a hula hoop cubby house!

Kids at Camp Australia are Kicking Goals!

This week we'd like to say a big WELL DONE to Isabella N!!

Isabella is a kind and caring friend to everyone at OSHC. She is quick to offer someone help if they need it and is always willing to get involved in the activities! Way to go, Isabella, you are a fantastic role model!

I'll leave you with a riddle from Eliza S that had us all stumped:
What has a bed but never sleeps? What runs but never stops?
 Keep smiling, Hannah, Callum & Tori
